

Part-time Analyst to Nordea Markets Stockholm

Nordea Markets is the leading international capital markets operator and investment banking partner in the Nordic and Baltic Sea region. We have offices in all Nordic countries as well as in Singapore and New York. In order to support our customers in the best way – and help them realise their goals – we provide relevant, in-depth information and highly professional services, tailored to meet each customer’s financial aspirations. At Nordea Markets, we take pride in delivering excellent assistance to all our customers and to always walk the extra mile.

The opportunity we offer

We offer you an opportunity to work part-time at our trading floor in Stockholm. By working as an Analyst you will get to know the fundamentals of capital markets from working closely together with experienced Senior FX Sales Managers and at the same time get insights of the everyday work life at Markets.

In your daily work you will develop our quantitative models and risk management tools, produce various reports and presentation materials as well as assist senior colleagues with a wide range of work tasks.

Requirements

- Third or fourth year MSc student pursuing an advanced degree in Finance, Applied mathematics, Statistics, Financial engineering or similar.
- Strong analytical and computer skills in Excel and Visual Basic. Programming skills are needed.
- Deep interest in finance and the financial markets coupled with strong oral and written communication skills.
- Ability to work independently and have a strong “I get things done” spirit.
